Find as many Christmassy words as you can in the grid above (answers can go up, down and diagonally backwards and forwards). All the words are FIVE letters or over, there are SIX two word answers (eg. MULLED WINE). There are FOUR plurals ending in S. Please list your answers below (or overleaf) and mark each one on the grid. It's up to you to find all the words we can't tell you how many there are but there will be a great prize for the person with the most correct answers. In the event of a tie there will be a tie-break activity on the evening of 19th December.
